PFCU MASTERCARD® PLATINUM AGREEMENT & DISCLOSURE

In this Agreement the words "you" and "your" mean each and all of those who agree to be bound by this Agreement; "Card" means the Mastercard® credit card and any duplicates, renewals, or substitutions the Credit Union issues to you; "Account" means your Mastercard credit card line-of-credit account with the PFCU, and "Credit Union" means PFCU whose name appears on this Agreement or anyone to whom PFCU transfers this Agreement.

- Using Your Account.** If you are approved for an Account, the Credit Union will establish a line-of-credit for you and notify you of your credit limit. You agree that your credit limit is the maximum amount (purchases, cash advances, finance charges, plus "other charges") that you will have outstanding on your Account at any time. Each payment you make to your Account will restore your credit limit by the amount of the payment unless you are over your credit limit. If you are over your credit limit, you must pay the amount you are over before payments will begin to restore your credit limit. You may request an increase in your credit limit only by a method acceptable to the Credit Union. The Credit Union has the right to reduce your credit limit, refuse to make an advance and/or terminate your Account at any time for any reason not prohibited by law.
- Using Your Card.** You may use your Card to make purchases from merchants and others who accept Mastercard Cards. However, you may not use your Card to initiate any type of electronic gambling transaction through the Internet. In addition, you may obtain cash advances from the Credit Union and from other financial institutions that accept Mastercard Cards, and from some automated teller machines (ATMs). (Not all ATMs accept Mastercard Cards.) To obtain cash advances from an ATM, you must use the Personal Identification Number (PIN) that is issued to you for use with your Card. You agree that you will not make or permit to be made the use of your Card for any transaction that is illegal under applicable federal, state or local law. The Credit Union is not responsible for the refusal of any merchant or financial institution to honor your Card.
- Responsibility.** You agree to pay all charges (purchases, balance transfers and cash advances) to your Account that are made by you or anyone whom you authorize to use your Account. You also agree to pay all finance charges and other charges added to your Account under the terms of this Agreement or another agreement you made with the Credit Union. If this is a joint Account, Section 16 below also applies to your Account.
- Finance Charges.** You will pay a Finance Charge on all purchases, cash advances and balance transfers made against your Account. Finance Charges for cash advances will begin to accrue on the date of the advance. New purchases and balance transfers will not incur a Finance Charge on the date they are posted to your Account if you have paid the Account in full by the Payment Due Date shown on your previous monthly statement or if there was no previous balance. The Payment Due Date will not be less than 25 days from the billing cycle closing date shown on your statement. No additional Finance Charge will be imposed on purchases and balance transfers whenever you pay the Account in full on or before the Payment Due Date reflected on your statement. A Standard variable ANNUAL PERCENTAGE RATE will be applied to your Account. We will add a "Margin" to an "Index Rate" to determine your standard variable rate. The periodic rates used to compute the Finance Charge is based on an index (the "Index"), which is the Prime Rate as published in the Money Rates section of The Wall Street Journal on the last business day of the month and is subject to change monthly on the first day of each month. Any change in the Index will be effective on the first day of the billing cycle that ends on or after the date of the change. An increase or decrease in the Index will result in an increase or decrease in the periodic rate, which in turn, may result in higher or lower payments. The "Margin" for purchases and balance transfers will be 7.50% to 18.00%, based on your creditworthiness. The "Margin" for cash advances will be 10.50% to 18.00%, based on your creditworthiness. These ANNUAL PERCENTAGES are collectively referred to in this Agreement as the Standard Rate. The Standard Rate Monthly Periodic Rates and corresponding ANNUAL PERCENTAGE RATES for all advances are set forth as of the last update in this agreement. The Finance Charge is figured by applying the periodic rate to the "Balance Subject to Finance Charge" which is the "Average Daily Balance" of your Account, including certain current transactions. The Average Daily Balance is arrived at by taking the beginning balance of your Account each day, adding in any new cash advances and balance transfers, and unless you pay your Account in full by the Payment Due Date shown on the previous monthly statement or there is no previous balance, adding in new purchases, and subtracting any payments or credits and unpaid Finance Charges. This gives us the daily balance. The daily balances for the billing cycle are then added together and divided by the number of days in the billing cycle. The result is the Average Daily Balance. The Finance Charge is determined by multiplying the Average Daily Balance by the number of days in the billing cycle and applying the periodic rate to the product.
- Other Charges.** The following other charges (fees) will be added to your Account, as applicable:
 - Late Payment Fee: A late charge of up to \$25.00 will be added to your account if you are late in making a payment.
 - Non-Sufficient Funds Fee: If a check or share draft or any other form of payment used to make a payment on your account is returned unpaid, you will be charged a fee of up to \$25.00.
 - Document Copy Fee: You will be charged a \$5.00 fee for each copy of a sales draft or statement that you request (except when the request is made in connection with a billing error made by the Credit Union).
 - Card Replacement Fee: You will be charged a \$10.00 fee for each replacement card that is issued to you for any reason other than expiration of a current card or normal usage of card
 - Cash Advance Fee: A cash advance fee of 3% of the transaction will be assessed, with a minimum of \$10.00 and a maximum of \$150.00.

 - Credit Card Quick Delivery: You may be charged a Credit Card Quick Delivery fee in the amount of \$35.00

- Payments.** Each month you must pay at least the minimum payment shown on the statement no later than the 14th of the month. You may pay more frequently, pay more than the minimum payment or pay the Total New Balance in full. If you make extra or larger payments, you are still required to make at least the minimum payment each month your Account has a balance (other than a credit balance). The minimum payment is 2.5% of your Total New Balance, or \$25.00, whichever is greater, plus the amount of any prior minimum payments that you have not made, and any amount you are over your credit limit. The Credit Union also has the right to demand immediate payment of any amount by which you are over your credit limit. All payments made to us must be in U.S. Dollars. Payments mailed to PFCU, 9077 Charlotte Highway, Portland, MI 48875 must be received at that location by 5:00 p.m. to be effective the same day. In some cases, available credit may be delayed until the payment is verified. To pay by a certain date means to send your payment so that we receive it and credit it to your Account by that date.

How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See account agreement for more details.

Billing Rights: Information on your rights to dispute transaction and how to exercise those rights is provided in your account agreement.

We will charge a 1% Foreign Transaction Fee on all international transaction amounts, whether or not such amounts are charged in U.S. dollars.

YOUR BILLING RIGHTS - KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than sixty (60) days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information;

- Your name and Account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your credit card bill automatically from your savings or share draft Account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three (3) business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice.

We must acknowledge your letter within thirty (30) days, unless we have corrected the error by then. Within ninety (90) days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply an unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten (10) days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two (2) limitations on this right;

- a) you must have made the purchase in your home state or, if not within your home state, within one hundred (100) miles of your current mailing address; and
- b) the purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.
